A NEW WAY

Week of Compassion Offering 2026

Feb. 15 & 22 will be our annual special offering to support Week of Compassion. Whether rebuilding after a flood, finding safety after conflict or recovering from economic hardship, Week of Compassion works around the world to find A New Way. Some of the offering supports natural disasters, while other gifts help with ongoing difficulties and issues. All of the offering helps to provide hope in a hurting world. In difficult times, we rely on one another and know that God walks with us in this journey.
